

FREQUENTLY ASKED QUESTIONS

Are you an immigration company?

In short, no. Launchpath is a reputable tech consultancy confluence of entrepreneurs, startup founders, consultants, marketing and business strategists and immigration lawyers on a mission to help innovators and entrepreneurs from across the world expand their businesses to Canada. We know that immigration is a huge part of launching your business in Canada and as part of our process, our team will help you start your immigration journey.

What services do you offer?

We categorize our services into four different services:

Startup: We support startups in areas such as advisory, planning, and launching

Scale up: As your business grows, you'll likely need additional services to keep things running smoothly

Turnkey Services: Our turnkey solution services include everything you need to get started

Partner: Partnership services can save you thousands of hours and connect you with the most trusted professionals in your industry

How can you help me expand my business to Canada?

We begin by learning everything about your business and industry.

Our team will conduct market research on your industry and its feasibility in Canada. Then we connect you to subject domain experts in your industry and our immigration lawyers will advise you on different immigration programs that you might fit in.

Where can I look at the requirements needed to get a head start on immigration?

We have a team of legal and immigration advisors with 20+ yrs of experience who strive to offer entrepreneurs a smooth path in their journeys to establishing their businesses in Canada. Our team will help you to get a letter of approval to get a head start on your journey.

I'm ready to apply for the start-up Visa, how do we begin?

Great! To begin, please click [here](#) to fill out an intake form and we will get in touch with you or, get in touch with us at info@lunchpath.ca.

How can you help me secure funds, investments & grants?

We understand bringing your great ideas into a powerful startup requires raising capital. Depending on your business, our Grants and Funding experts will advise you on securing your business's funding.

I have a start-up idea, where do I begin?

You can contact us via email at info@lunchpath.ca, and we will schedule a discovery call with you to start on your great idea.

What sets LaunchPath apart from the rest?

Moving to a new country could strain your time and resources, here at Launchpath, we strive to help immigrant entrepreneurs navigate the immigration journey smoothly. Whether you are establishing your startup or expanding your business to Canada, rather than giving you advice on what to do, we take it a step further to help you get there. Our team has over 20 years of experience in directing entrepreneurs to the right Venture Capitalists or Angel Investors, raising investments, taking products to market, and helping families move and settle in Canada.

Can you help me expand my business in a country other than Canada?

Yes! Currently, we offer expansion services in the following countries: the United States of America, Portugal, France, the United Kingdom & Australia. All the countries listed can accept entrepreneurs as immigrants to their country.
